

City Attorney

Mission Statement

It is the mission of the City Attorney's Office to serve the citizens of Long Beach by providing to our clients accurate and timely legal counsel and representing them aggressively in State and Federal Court, consistent with the powers and duties conferred upon the City Attorney's Office by the City Charter.

Department Overview

Mission Statement

The City Attorney's Office is committed to providing superior, cost effective legal services to the City, consistent with the highest professional and ethical standards.

The goal of the City Attorney's Office is to protect the public's interest and provide sound legal advice and counsel to the City, its elected and appointed officials, departments, boards and commissions.

The Office will at all times strive to protect and preserve the legal rights and assets of the City and will vigorously enforce its municipal regulations in order to maintain and improve the quality of life of its residents.

Overview

The City Attorney's Office handles all of the civil legal affairs of the City of Long Beach. The duties of the City Attorney are set forth in the City's Charter, which provides that the City Attorney shall be the sole and exclusive legal advisor of the City, City Council, and all City commissions, committees, officers and employees. As such, the City Attorney is charged with municipal responsibilities as complex as any in the State.

The City Attorney's office represents the City on affirmative and defensive civil litigation, legislative and legal issues, and administrative code enforcement proceedings.

Departmental Counsel Division

The Departmental Counsel Division serves as general legal counsel to the City Council, City Officers, and all Departments, Divisions and Bureaus of the City. The Departmental Counsel Division also provides legal advice to forty-six (46) of the City's Boards, Committees and Commissions including the Planning Commission, Civil Service Commission, Housing Authority, Board of Water Commissioners, Board of Examiners Appeals and Condemnation, Citizen Police Complaint Commission, Airport Advisory Commission, the Long Beach Community Investment Company, the Successor Agency to the Redevelopment Agency of the City of Long Beach, and the Oversight Board, the Marine Advisory Commission, the Parks and Recreation Commission, the Sustainable City Commission, the Technology and Innovation Commission, the Cultural Heritage Commission, the Board of Health and Human Services, the Commission on Youth and Children, the Senior Citizen Advisory Commission, the Citizen's Advisory Commission on Disabilities, the Veterans Affairs Commission, and the Human Relations Commission.

In addition to providing legal advice, the Division's attorneys proactively investigate and pursue all manner of nuisance related matters in order to improve the quality of life of Long Beach's residents. The Division attorneys also review, edit, draft and negotiate various transactional documents including contracts, leases, permits, easements, and development agreements as well as drafting ordinances, resolutions, legal opinions and legal memorandums for all of the City's various departments. The Departmental Counsel Division is responsible for representing the City in CEQA and Land Use writ actions, and also provides legal advice on personnel matters, including litigating various contested personnel matters in both State and Federal courts.

Department Overview

Litigation Division

The Litigation Division defends the City and its agencies, departments, divisions and employees in lawsuits filed in both State and Federal court. Such litigation includes, but is not limited to, personal injury and property damage, alleged civil rights violations, excessive force, labor and employment disputes, dangerous conditions of public property, breach of contract and real estate issues.

The Litigation Division also pursues affirmative litigation matters which seek to recover money due and owing the City for such matters as breach of contract, damage to City property, injuries suffered by City employees acting in the course and scope of their employment, various small claims litigation matters, as well as various debts or financial obligations owed to the City.

Harbor Division

The Harbor Division provides legal counsel and advice to the Board of Harbor Commissioners and the Port of Long Beach (Harbor Department), the second-busiest seaport in the United States with cargo valued annually at \$180 billion. The Harbor Division attorneys work on all transactions related to the Port's operations whose annual revenues exceed \$700 million and on formulating and implementing the "Green Port Policy" which mitigates the environmental impacts of Port operations.

Harbor Division attorneys also serve as legal counsel to the Alameda Corridor Transportation Authority (ACTA), draft and approve all Harbor Department leases, permits and contracts, prepare all resolutions, ordinances and other regulations for the Board of Harbor Commissioners and the Harbor Department, and provide advice on environmental matters, energy issues, construction projects and real property transactions.

Workers' Compensation Division

The Workers' Compensation Division consists of attorneys who handle the litigated claims and claims staff who are responsible for providing medical and indemnity benefits to injured employees covered by the City's Self Insured and Self-Administered Workers' Compensation Program.

This Division strives to effectuate the purpose of California's Workers' Compensation law by ensuring that bona fide claims are handled expeditiously while, at the same time, vigorously defending the City against claims that lack merit. This Division continues to work closely with City departments to reduce costs, while at the same time improving service.

Litigation Division

- With seven deputies, the City Attorney's Litigation Division handled approximately 200-220 lawsuits. These lawsuits involved a wide variety of issues. This Division handled cases including claims of alleged police misconduct, allegations of 1st Amendment and 14th Amendment violations, a challenge to the City's conditional use permit process for tattoo parlors, election law disputes, various breach of contract claims, suits brought under the Public Records Act, significant public liability cases, including catastrophic injury cases, and several employment discrimination cases. The Division handles in-house cases both at the trial court level and appeals and writs before the Court of Appeal, and occasionally appears before the Supreme Court. While many of these cases are ongoing, the majority of cases that were resolved resulted in a favorable outcome for the City.
- The Litigation Division also resolved a number of cases with pre-trial motions, sparing the costs of a full trial. Also, during this time period, this Division resolved multiple outstanding claims involving medical marijuana and the City's ordinance banning same, all in the City's favor.
- The Litigation Division also pursued or defended 21 cases in small claims court over the year. The City prevailed on the vast majority of the cases wherein the City was suing as a plaintiff or was defending itself. Our Subrogation Section has recovered approximately \$393,082.53 for the City.
- The Liability Claims Section handled approximately 709 Government Tort Claims. The Claims Section either settled meritorious claims, typically between \$5,000 to \$10,000, or rejected claims having no merit.
- During this fiscal year, the City Attorney's Office, working with outside counsel, negotiated a comprehensive and long term, thirty-year agreement to bring the City's infrastructure in line with the requirements of the Americans with Disabilities Act (ADA). This agreement also serves to prevent future ADA lawsuit, so that City funds can be used on improving access to all citizens of Long Beach, and not in lawsuits.
- Finally, the Litigation Division provides ongoing training to City departments on issues ranging from investigations, preservation of evidence, police use of force, search and seizure laws, employment discrimination, progressive discipline, the ADA, and the California Public Records Act.

Harbor Division

- Environmental and Business Incentives. Drafted new tariffs and other measures to continue financial incentives for users of the Port of Long Beach to reduce their impact on the environment.
- CEQA Lawsuit. Obtained favorable verdict in CEQA lawsuit challenging development of an RDA property within the Downtown Plan area and represented the City in the appeal.

FY 18 Accomplishments

- **Litigation - Fireboats and Structures.** Assisted Port in litigation regarding fireboat construction as well as in cases involving materials located in structures.
- **Transmission Line Replacement Project.** Provided legal advice and guidance to assist Port staff and management with negotiations and environmental review of SCE's multi-million dollar project to raise and replace transmission lines over the Cerritos Channel.
- **PCB Litigation.** Provided substantial legal support for damages case against Monsanto related to PCB contamination of Long Beach waters and trust marine areas, including coordination with outside counsel on briefing, discovery and public records request responses.
- **New Long Beach Civic Center.** Assisted the Harbor Department in implementing that portion of the new Long Beach Civic Center project which will house the Port Headquarters and related areas such as Port parking.
- **Real Estate Contracts.** Advised and drafted numerous documents regarding leases and other real estate transactions.
- **Property Damage Litigation.** Provided legal support in lawsuit against contractors who damaged Harbor Department property during construction of a secant pile wall, resulting in a \$5.5 million settlement in favor of the Department.
- **Contract Claim Resolution.** Provide ongoing legal support, advice and representation of the Harbor Department in connection with construction claims asserted by contractors against the Department.
- **Public Contract Code Compliance.** Advise staff on public contract law requirements including public bidding, sole source procurements, licensing requirements, prequalification of bidders, bid responsiveness, bid protests, subcontractor substitutions, and prevailing wages.
- **Project Labor Agreement.** Provided legal advice relating to the implementation of the Port-wide Project Labor Agreement.
- **Procurement.** Assisted the Harbor Department in the procurement of the new state-of-the-art Long Beach Harbor fireboats.
- **Electrification of Port.** Provided legal advice regarding matters before the California Public Utilities Commission to facilitate further electrification of Port, including the obtaining of millions of dollars in grants.
- **Construction and Development.** Provided contracting, real estate, and compliance advice for multiple construction projects including the Middle Harbor Container Terminal and the Gerald Desmond Bridge replacement project, each with a budget of over \$1 billion.
- **Port Information Portal.** Assisted the Harbor Department in entering into an agreement for a pilot project to test a common user information portal for enhancing maritime supply chain performance and efficiency by improving data visibility and stakeholder collaboration.
- **Community Mitigation Grants.** Assisted the Harbor Department in the preparation of the Community Grants Program Guidelines, and assisted in awarding 11 grant funding contracts totaling approximately \$3,744,000 to help mitigate the effects from Port operations on the community related to air quality and community health.

FY 18 Accomplishments

- **Rail Projects.** Continue to provide substantial legal support for environmental analysis and documentation of on-dock, near-dock, and short haul rail projects. These rail projects have the potential to reduce overall freight movement emissions but can have adverse impacts on local residents if not located and planned appropriately.

- **Port Master Plan.** Assisted Port staff with development of a new Port Master Plan and compliance with CEQA.
- **Shiploader Dispute.** Resolved a complex dispute over alleged potential mechanical failure of a bulk commodity shiploader at Pier G, avoiding litigation and continuing a long-standing relationship with a major tenant.
- **Pier B CEQA Approval.** Assisted Port staff in completing the environmental impact report for the Pier B on-Dock Rail Support Facility project, navigating through the public comment, hearing and approval processes, and successfully defeating an appeal of the project to the City Council.
- **Pipeline Permit.** Assisted the Harbor Department in issuing a permit for a major underground pipeline installation connecting two refineries, and obtained performance guarantees.

Workers' Compensation Division

Workers' Compensation costs remain a significant statewide issue. As a result, the State of California reformed the law to combat the deleterious effects of those costs on the California economy. The Workers' Compensation Division incorporates current reform measures with cost savings programs such as Bill Review service, a Medical Provider Network and a pharmacy benefit program as its core foundation of cost management.

- Received 527 newly reported claims, including 99 newly litigated claims, for which workers' compensation benefits were administered. Total open claims increased slightly over the year from 2095 to approximately 2316, for which ongoing benefits and services were provided.

FY 18 Accomplishments

- Through a Request for Proposal process, the Workers' Compensation Division re-selected our current vendor, Pharmaceutical Technologies, Inc. (now known as CastiaRx, a division of PTI) to perform pharmacy benefit management services, providing prescription drugs to our injured workers. Over the past 5 years, the City significantly decreased pharmacy costs over \$1,000,000, and continues to maintain lower pharmacy costs. Through the renewed partnership with PTI, the City expects to impact pharmacy costs through targeted utilization review measures.
- Through the use of a Medical Provider Network, the City is able to manage the quality of the medical providers available to injured workers by addressing provider issues such as access, quality of care, timeliness of reporting and consistent evidence-based treatment.
- Workers' Compensation Division continues to use Medata, Inc. to perform bill review services in accordance with the Workers' Compensation Law of California. The Workers' Compensation division has an annual medical bill volume of \$22,000,000 and through its bill review process, the City has been able to reduce this amount by approximately \$13.6 million.
